

Money Matters Schools Textbook Sponsorship

Temple Carrig School

ICS Mortgages are delighted to provide a number of Irish schools with sets of the finance textbook, Money Matters - Transition Year Finance. This excellent book will further enhance the students' understanding of finance.

With the endorsement of CFA Society Ireland, Money Matters offers a comprehensive guide to personal finance, investing, and entrepreneurship life skills.

Our Chief Commercial Officer, Ray McMahon, had the pleasure of presenting the books to students and their teacher, Jenny Larkin, from Temple Carrig School located in Greystones, County Wicklow.
