

Money Matters Schools Textbook Sponsorship

Holy Family Secondary School

ICS Mortgages are delighted to provide a number of Irish schools with sets of the finance textbook, Money Matters - Transition Year Finance. This excellent book will further enhance the students' understanding of finance. With the endorsement of CFA Society Ireland, Money Matters offers a comprehensive guide to personal finance, investing, and entrepreneurship life skills.

We recently paid another school visit to present them with their books. This time our Broker Lending Team Manager, Tom Dowling, had the pleasure of presenting the books to students and their teacher, Claire Hughes, from Holy Family Secondary School located in Newbridge, County Kildare.
